

CITRIX SYNERGY OF THE ROCKIES

Presented by Lewan & Associates

Were you unable to attend the Citrix Synergy 2011 conference on virtual computing in San Francisco last month?

Don't miss any of the exciting product announcements or strategies by joining us for a recap of the event.

Citrix Synergy of the Rockies Highlights:

- Presenters from Citrix, AppSense and Wyse.
- New technology and strategies for the virtualization of applications, desktops, servers and users.
- Securing and delivering the best possible remote end-user experience.
- Utilizing Thin Clients as alternative end-points.
